5. **Please remove the dark, grey colour** from the other 6 countries, like India, Malaysia, etc. All of them can remain normally visible like the Singapore packages.

6. **The Orange colour at the top band is too dark, the logo can hardly be visible.**

- Please try a lighter shade of orange?
- Or instead of a solid lighter orange, try a gradient orange colour?
- Or any other lighter colour, maybe blue (gradient).
